PRINCIPAL'S MESSAGE

A Child's mind is not a vessel to be filled, it is a lamp to be ignited."

Childhood is the most important phase of life and children learn from their ways of living at this stage. Implementation of CMP and CCE has provided children the opportunities to express themselves.

It is with immense pleasure that we are putting Kendriya Vidyalaya No. 3 Jalandhar cantt. Primary wing itinerary for this year for your perusal.

Our school magazine serves as a reflection of our collective achievements, showcasing the incredible talents, achievements, and stories of our students. It is a testament to the hard work, dedication, and passion that our school community exhibits every day.

I congratulate the 'Editorial Board' on its tireless efforts in bringing out this issue in a befitting way. I hope this spirit of enthusiasm continues in future also.
